

Passion Week and the Resurrection

Walking with Jesus and His Disciples

This is to be an experiential exercise. This is not a study of the teachings of Jesus. The goal is to immerse yourself in the daily moments which occurred during Passion Week. Catch a glimpse into the thoughts and emotions of the disciples, and of Christ, as they walk through the week leading up to the cross and subsequent resurrection.

We hope this daily exercise gives you a deeper understanding and more meaningful worship experience this Easter.

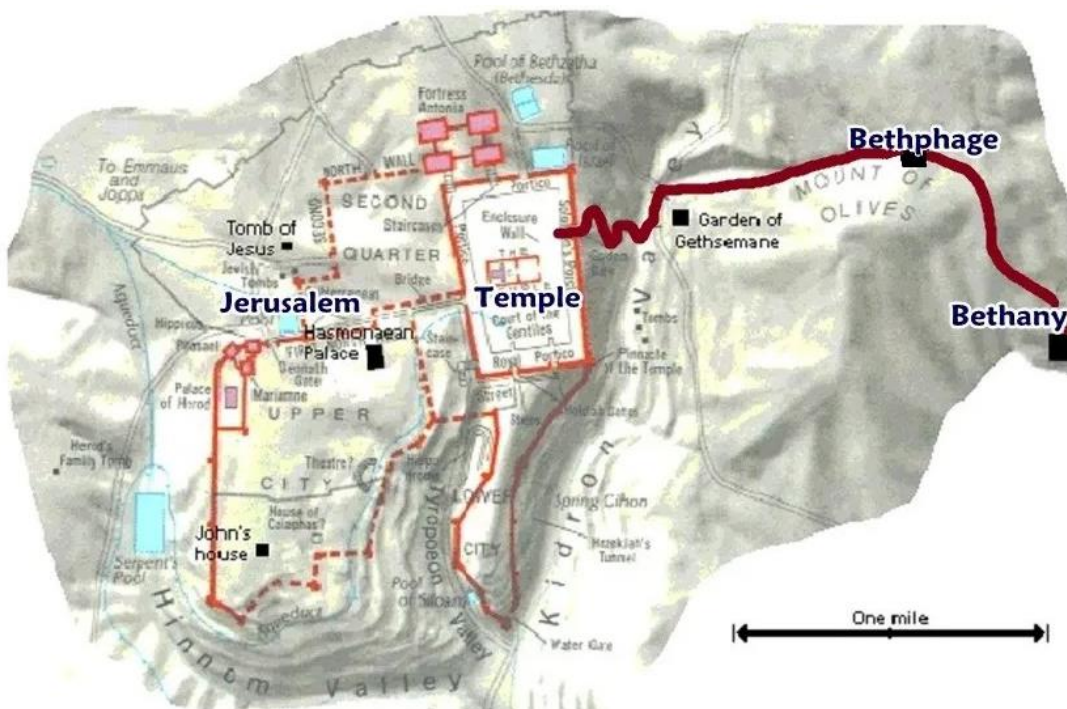

There are over twelve hundred Gospel verses that cover Jesus' last days on earth. We don't want you to get overwhelmed, so **we highlighted in bold** the scripture verses we think will help you walk in their sandals. Ask God to lead you to the verses He wants you to read.

You have the same five questions to answer and reflect upon for each day.

May you have a joyful journey,

Beverly & Paul Pop

Below is a map that encompasses the area that Jesus traveled His last week. On the left is the city of Jerusalem where the Temple is located. The Garden of Gethsemane, Bethany and Bethphage are located on the right, on the Mount of Olives. Bethany, a small village on the eastern slope of the Mount of Olives, is important for this is where Lazarus and his sisters, Mary and Martha lived. Jesus stayed in this area each night (Luke 21:37-38 *).

The **bold red line** on the upper right is the road that **Jesus walked each day** from the Mount of Olives to the Temple in Jerusalem. *

When traveling to Jerusalem from Bethany, you have to walk up the eastside of the Mount of Olives and then down the westside, past the Garden of Gethsemane, across the Kidron Valley and then up another hill to the Temple.
